Increase the Value and Insights from Your PPM Reporting

Let Rego help you produce a tailored
Reporting Roadmap

Does your current reporting provide the strategic insight you need?
Do your users have role-based dashboards that provide data driven analysis?

Establishing and maintaining a robust reporting strategy can be a struggle. Where do you begin when you need to display data with valuable, actionable insights?
Rego's Reporting Roadmap planning can help.

Data Driven Decisions

Reports designed to highlight potential issues (information vs. just data) can assist informed decision-making

Increase User Adoption

With robust value-add reporting, perception of your PPM tool increases

Rego's reporting strategy service is only \$3,000, including time and expenses.
It includes:

- Experienced analysis of your current report/dashboard use
- Review of best practice reporting examples
- One-day onsite workshop to whiteboard best practice reporting needs by role
- Interviews with key stakeholders to understand gaps/opportunities
- Examine available reporting architecture options with pros/cons
- Produce forward-looking reporting strategy with timeline and effort

Rego can assist you in optimizing your reporting investment.
